

HARWORTH & BIRCOTES HUB

EMPLOYERS WE NEED YOU

The **HUB**, delivered by Bassetlaw District Council and DWP in collaboration with stakeholder partners. The aim of the Youth Hub is to support those aged 16-24 years to become work ready, access careers guidance, develop life skills, engage in sector specific training and secure sustainable employment in their local area.

As a key employer in the area we want to ask if you are happy to support the young people that attend the Youth Hub by:

- Attend the Hub to talk about your organisation, the types of job opportunities you have and the skills and experience you look for.
- Support CV and mock interview activities to enable youth people to experience first-hand what you look for in a CV and as part of the interview process
- Support young people to gain valuable work experience and volunteering opportunities
- Use the Hub to promote live and planned vacancies – traineeships, apprenticeships, direct employment
- If you employ an apprentice them attending the Hub to talk about the 'day in the life of an apprentice'

The Youth Hub will help you to fill current and future skills gaps and help shape your future workforce based on business needs.
